

Down Syndrome *Information Network* of the Twin Tiers

Volume 5, Issue 1

January 2005

Happy New Year!!

We hope the New Year brings you peace, joy and love.

Thank you to everyone who made the Christmas party enjoyable this year. We had about 45 people attend, including a large contingent of children, making it a loud and festive occasion.

A special thanks to Bob Zisk and his band for the entertainment and to his special guest guitarist, Zach. Great job, Zach! Hal did a great job as Santa with a lap and plenty of hugs and ho, ho, hos for everyone.

Thanks Hal, you were a super Santa.

Buddy Walk Committee

If you'd like to help out this year, this is the time to get in on the ground floor and let your wishes be known. It was really a fun event and we hope to have an even bigger turn out this year.

We will share the day again with the Chemung Canal Fall Festival. They appreciate our involvement and we appreciated their efforts to provide a fun, family atmosphere.

The more people who are willing to help, the less work there is for each of us to do. Please consider donating your time and talents.
